

Phonics Phase 2

Following on from the previous weeks, your child will use their phonetic sounds that they have learnt to decode the words. Encourage your child to use the letters they have learnt to sound out the words. Help your child segment and then blend one word each day {please repeat one word at least 5 times}. There are also video links for your child to watch, please click on the link for more information.

Then encourage your child to practise writing the word in their book. Please remember one word per day.

Here are some extra links for your child to enjoy!
