Container A is _____ full than container D.

Container C is _____ full than container A.

Write your own statements to compare the containers.

Read the text below and answer the following questions in full sentences.

How to Build a Sandcastle

You will need:

Some damp sand, a small bucket, a small spade, a toy flag

What to do:

- 1 Use the spade to fill your bucket with sand.
- 2 Make sure the bucket is as full as you can get it.
- 3 Tap the sand down to make it nice and firm.
- 4 Quickly turn the bucket over and place on the beach.
- 5 Tap the top of the bucket with your spade two or three times to loosen the sand inside.
- 6 Carefully lift the bucket to see your sandcastle. If it falls down, try again.
- 7 Finish by sticking a toy flag in the sandcastle.
