

### Maths Homework

So, Reception now you all should know how to subtract as we have been learning how to this week.

Can you remember the different resources we used to help us do our subtraction?

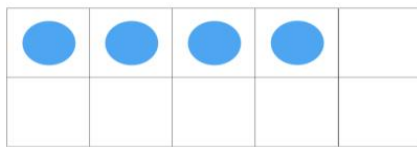

Write or draw them in your books.

Now try doing the following subtraction sums:

- You could use:
- A ten frame
  - A number line
  - Objects
  - Or your tiny fingers!

L.O: I can subtract 2, 3 and 4 within 10.

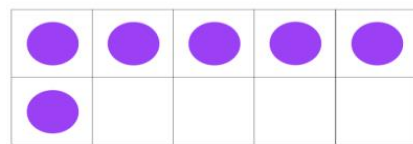

How many?

- 2
