

Nursery homework

Maths

This week for maths your child has been learning how to subitising. Please write these sentences in your child's homework book, ask them to look at the following pictures and to tell you how many objects they see without counting them' then ask them to write the number in the missing space in of the sentence.

I can see ___ ducks.

I can see ___ balls.

I can see ___ chickens.

I can see ___ flowers.

I can see ___ cars.
