The wild **commotion** in the kitchen could have been avoided if...

She rescued the fairy tales, blew out the candle, and made her way into the house. Her mother was lighting the fire and asked what she was doing up, and she said that she'd heard a commotion in the henhouse and had gone out to see if it was the fox again.

The Wee Free Men
by Terry Pratchett

Can you write two sentences where this word is being used in different ways

Sentence 1:

Sentence 2:
