

Year 5 / 6 Week 3 Homework!

English: Sykes – Picot Agreement

Watch the Flip Video! It explains the Agreement, its history, its repercussions and also covers some of the warfare Technologies that we did in lesson!

We have been covering the Sykes – Picot Agreement in depth for History, and now for English. By this time, you should all be familiar with the Agreement. If you are finding it difficult to remember clearly what exactly the Agreement was regarding, don't worry! Your new Flip videos will remind you! Also, use the internet to your advantage!

Sykes – Picot Agreement: Key Points

Who Created it: Marks Sykes (Britian) & Francois Georges – Picot (France).

Which countries were involved: Britian, France, Kingdom of Italy & The Russian Empire.

Why was it drafted: To dismantle the Ottoman Empire, separate the Middle East & create borders within its lands, giving the power and influence to the Western countries.

H.W

For this week, you all need to create some documents to represent what you have learnt / are learning about the Agreement.

- **A4 Poster** displaying key facts, figures, and information about the Agreement and what it caused.
- A **Poem** from a civilian point of view, someone who is trapped within the effected lands. Remember, what's happening is out of their control! Talk about how the Agreement and conflicts have changed their lives. How one document, created in secret, front another continent has the power to completely separate countries!

As wonderful as it is that you remember key points about the Agreement, please do not forget to use the internet! There is SO much information regarding these events online!

Make your posters as vivid and detailed as possible! Take your time and make them a sight to see!
